### Mission of AWLI

As custodian of the Wolf Lake Vision, the Association for the Wolf Lake Initiative (AWLI) works across state lines to improve Wolf Lake and surrounding areas.

Wolf Lake is a special place where people gather to play, appreciate and learn about nature, to mingle with family and friends and to enjoy passive and active recreation. Many users and neighbors of the lake join AWLI to protect this resource. In doing so, they establish a bond among themselves and a stewardship ethic that is being passed down to the younger generation.

### Be part of it! Join today.
